

BOARD BILL NO. 391CS INTRODUCED BY PRESIDENT LEWIS E. REED

An ordinance relating to traffic control; repealing Section Six of Ordinance 66868, codified as Section 17.07.060 of the Revised Code of the City of St. Louis, relating to advance warning signs, and enacting in lieu a new subject on the same subject matter which requires that warning signs be affixed traffic control signals; and containing a severability clause.

BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE. Section Six of Ordinance 66868, codified as Section 17.07.060 of the Revised Code of the City of St. Louis is hereby repealed.

SECTION TWO The following provision is enacted in lieu of said section:

SECTION SIX. Any Automated Traffic Control System on a street or highway must be identified by appropriate advance warning signs conspicuously posted and affixed to traffic control signals and not more than three hundred feet from the locations of the automated traffic control system location. All advance warning signs must be approved by the Traffic Commissioner.

SECTION THREE. Severability Clause.

If any provision, clause, sentence, paragraph or word of this ordinance or the application thereof to any person, entity or circumstances shall be held invalid, such invalidity shall not affect the other provisions of this ordinance which can be given effect without the invalid provisions or application, and to this end the provisions of this ordinance are declared severable.
